

◆ **Hazardous Materials & Air Quality Checklist**

For Non-Residential Projects Only

Prior to issuance of a building permit, nonresidential projects which involve the storage of hazardous materials or affect air quality must comply with:

- Sections 25505, 25533, and 25534 of the California Health and Safety Code regarding businesses handling, storing, or disposing of hazardous materials; and
- Regulation 2, Rule 1 of the Bay Area Air Quality Management District (BAAQMD) pertaining to the emission of air contaminants.

This checklist must be filled out completely and accurately to insure timely processing of your Planning Application. Please see the following page for a sample list of businesses which may store hazardous materials and a list of commonly used materials considered extremely hazardous. If you answered YES to any of these questions, then clearance from the BAAQMD (650 -771-6000), San Mateo County Environmental Health Department (650-363-4305), and the City of San Mateo may be required as part of your development application. Contact City Planning Staff at 650-522-7202 for additional information.

1.	Will this facility use, store, or handle any of the following? <i>If YES, check all that apply:</i>	<i>NO</i>																
	<table style="width: 100%; border: none;"> <tr> <td><input type="checkbox"/> Carcinogens</td> <td><input type="checkbox"/> Flammable Liquids</td> <td><input type="checkbox"/> Pesticides</td> </tr> <tr> <td><input type="checkbox"/> Compressed Gas</td> <td><input type="checkbox"/> Hazardous Waste</td> <td><input type="checkbox"/> Radioactives</td> </tr> <tr> <td><input type="checkbox"/> Corrosives</td> <td><input type="checkbox"/> Liquefied Petroleum Gas</td> <td><input type="checkbox"/> Solvents</td> </tr> <tr> <td><input type="checkbox"/> Combustible Liquids</td> <td><input type="checkbox"/> Organic Peroxides</td> <td><input type="checkbox"/> Oxidizers</td> </tr> <tr> <td><input type="checkbox"/> Explosives</td> <td><input type="checkbox"/> Underground Tanks</td> <td></td> </tr> </table>	<input type="checkbox"/> Carcinogens	<input type="checkbox"/> Flammable Liquids	<input type="checkbox"/> Pesticides	<input type="checkbox"/> Compressed Gas	<input type="checkbox"/> Hazardous Waste	<input type="checkbox"/> Radioactives	<input type="checkbox"/> Corrosives	<input type="checkbox"/> Liquefied Petroleum Gas	<input type="checkbox"/> Solvents	<input type="checkbox"/> Combustible Liquids	<input type="checkbox"/> Organic Peroxides	<input type="checkbox"/> Oxidizers	<input type="checkbox"/> Explosives	<input type="checkbox"/> Underground Tanks
