

Saint Matthew's School Website Photo Information
2010 / 2011

<http://www.stmatthewcath.org>
(St Matthew's Website Address)

St. Matthew Catholic School's website is connected to the Internet. The Internet links computer networks around the world giving users access to a wide variety of computer and information resources.

St. Matthew students, projects, events and teacher photos appear on the school website. This may include classroom activities, groups on the playground, field trips and Parish activities, such as the Carnival. Children in photos are never identified by name unless requested by parents.

If you do not wish to have your child's photo on the website, please complete the "Opt Out" form below and send it back completed in the Wednesday Envelope.

If you do not complete the form, the website committee will assume that we have your permission to publish photos of your children on the school website.

All the best,

The St. Matthew's Website Committee
