St. Matthew Catholic School will continue to utilize FACTS Grant & Aid Assessment for the coming 2017-2018 school year. We have been using FACTS for several years now and have found them to be a reliable partner in our tuition management and financial aid assessment.

If you would like more information about the company, feel free to visit their Web site at www.factsmgt.com. FACTS works with nearly 5,000 educational institutions and over a million families each year, helping them achieve their goals. They have been in business since 1986 and specialize in working with schools like ours.

All applications for tuition assistance for the 2017-2018 school year must be completed online through FACTS at https://online.factsmgt.com/signin/3CSQZ beginning February 1, 2017.

The deadline for applications for the 2017-18 school year is May 1, 2017. **

If a family has an existing user account for FACTS Payment Plans for tuition, they may use that same user account to apply for financial aid.

There are no exceptions and no decision will be made on assistance until the application is completed in full. If you have any questions, they can also be contacted at (866) 315-9262. ***If you are currently receiving tuition assistance, please remember that you must reapply for the 2017-2018 school year.***

How FACTS Grant & Aid Assessment Works

The first step of the process is to complete the application as accurately as possible. You will need to attach your tax forms, W-2 forms, supporting documentation for non-taxable income and payment for the application fee. Once FACTS has received all of your information the evaluation process begins. FACTS Grant & Aid Assessment uses key personal and financial information for analysis to evaluate your need for financial aid.

FACTS Grant & Aid Assessment will make recommendations to St. Matthew Catholic School on how much financial assistance is needed by each family that has applied.

You may begin the application process soon. Please do not wait until the last minute! Remember, if you are currently receiving assistance from the Archdiocese (Tads), Basic Fund or through FACTS (school), you must reapply each year!

Information on all available means of financial aid is on the school website under Admissions. You may also contact Kris McEntee at (650) 343-1373 or kmcentee@stmatthewcath.org for assistance.

****Applying for financial aid does not guarantee that your child has been accepted to St. Matthew School. Acceptance letters will be sent in March, 2017.**
